I am a student of a technical school in the field of computer science for 3 years. I have been interested in programming mainly in .NET for a year.

My current professional goal: To become a full-fledged back-end developer and constantly develop my skills.

Education:

- Zespół Szkół Nr 1 im. św. Rafała Kalinowskiego: **Technikum Komunikacyjne Nr 25** (my current school)

Skills:

- C# / .NET
- HTML, CSS, JavaScript (basics)
- Relational databases (Microsoft SQL Server, MySQL)
- Git
- ASP.NET Core MVC
- PHP (basics)

Knowledge of foreign languages:

- Polish (native)
- English (intermediate B1/B2)

Interests:

Football, gym, podcasts, personal development, programming, R&B music, meets with friends

Projects:

- Portfolio website (HTML, CSS, JS, C#)
- Expense management application (ASP.NET Core MVC, C#)
